INTRODUCTION

OUR MISSION

The mission of the Williamson Health Foundation is to maintain an entity structured to serve as a charitable and development arm for providing health care services in our community through the health system. The Foundation seeks endowments and special gifts for the purpose of fulfilling this mission.

OUR VISION

To enable Williamson Health to continue to provide world-class healthcare services to our community.

MESSAGE FROM OUR LEADERSHIP

Since 1958, Williamson Health has been raising the bar for excellence in our community, growing to become a regional health system providing world-class care at more than 30 locations across the county.

The Williamson Health Foundation is proud to have helped expand the impact of Williamson Health for more than two decades now.

This year alone we were able to help fund a historic \$200 million expansion project, fund 50 scholarships, provide \$500,000 for Williamson Health's athletic training partnership with Williamson County Schools, host an incredible ribbon-cutting community event to celebrate the opening of our new West Tower, and so much more.

We are honored to be presenting the 2024 annual report, which represents impact that goes far beyond the words on these pages. The generosity of our community is what makes it all possible, and we are grateful for your continued support as we continue to elevate the level of care we provide across Williamson County for decades to come.

Sincerely,

Leigh Williams

Leigh Williams, MPA, CFRE

HOW WE RAISE FUNDS

As a nonprofit health system, Williamson Health receives no funding from the county.*

To fund capital projects and health outreach programs of Williamson Health, the Foundation seeks charitable gifts of all types to provide ways to continuously improve the quality of patient care at all Williamson Health locations across the county.

The Foundation is committed to help donors identify meaningful investments to achieve their philanthropic goals through support of Williamson Health.

*With the exception of a partnership with the county for expenses related to countywide EMS services

BOARD & NEW TO BOARD

We are so grateful for all of the continued support of the Williamson Health Foundation this year! It is already making an incredible difference in the lives of our patients and community. I have been honored to serve as the Foundation's Board Chair and play a small role in helping provide even better care for our friends and neighbors. We hope you enjoy reading through these stories and updates of all the impact you helped make possible this year. We can't wait to continue this work into 2025 and beyond.

Sincerely,

Vicki McNamara

PHYSICIANS LEADERSHIP COUNCIL

The Physicians Leadership Council is a distinguished group of dedicated physicians who generously contribute their time, talents, and resources to support Williamson Health. These leaders play a vital role in advancing the organization's mission by offering their expertise, guidance, and philanthropic support. Their commitment extends beyond clinical care, as they actively shape the future of healthcare in the community.

Through their involvement, the Physicians Leadership Council helps drive innovation, enhance patient care, and strengthen Williamson Health's ability to serve our community. Their dedication to giving back reflects a shared vision of excellence and a deep connection to the health and well-being of the community we serve.

EMERGING LEADERS COUNCIL

The Emerging Leaders Council is a dynamic group of young professionals dedicated to making a meaningful impact through their leadership and volunteer efforts with Williamson Health. This council brings together individuals passionate about healthcare and committed to fostering positive change in their community.

By leveraging their fresh perspectives and diverse skill sets, the Emerging Leaders Council supports Williamson Health's mission through advocacy, fundraising, and community engagement. These emerging leaders serve as ambassadors for the organization, helping bridge the gap between healthcare and the next generation of professionals, ensuring a strong foundation for the future.

VOLUNTEER AUXILIARY

Volunteers are an essential part of Williamson Health.

A caring smile, compassionate heart, and willingness to serve are some of the things that we look for in volunteers. By sharing their time and talents, volunteers enhance the care we provide to our patients and visitors.

This year, we were honored to have **203 people** join our volunteer team, committing **24,291 hours (valued at \$596,000)** of their valuable time and energy to serving their community at Williamson Health.

GIFT SHOP

Every purchase made in the gift shop benefits the programs and services that Williamson Health provides to the community. Your recent purchases have enabled the Volunteer Auxiliary of The Williamson Health Foundation to provide items such as vein finders for our patients in PEDS, mannequins for CPR training, Recumbent Bike and Cross Trainer for our Cardiac Rehab department, and more. Williamson Health also partners with local nonprofits, such as The Change Your Brain Foundation, Brightstone and the Brett Boyer Foundation to offer unique gifts that benefit their organization.

In 2024, the gift shop raised **more than \$72,000!** Our top sellers were Williamson Health apparel, followed by women's apparel, and flower gifts.

We also launched our online gift shop in October, which allows guests to purchase items to be sent directly to patient rooms. That month we also launched our breast health campaign featuring limited edition pink apparel, which raised **\$6,000** for the purchase of lift chairs for Operation Pink Chairs.

MORE FOR YOU. CLOSE TO HOME.

More for **You.**
Close to **Home.**

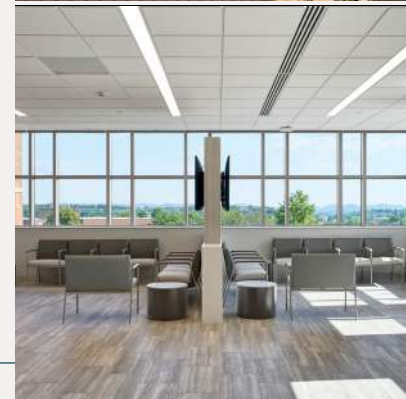

We made remarkable progress in our historic renovation and expansion of Williamson Health facilities this year.

With your support, we raised \$3.1 million of our \$30 million fundraising goal for the campaign, which will come to a close at the end of 2026.

We completed the expansion portion of our project, which included:

- » Phase II of the Turner-Dugas Emergency Department
- » Completing the expansion of the obstetrics wing
- » Opening a new neonatal intensive care unit (NICU)
- » Opening the new Boyer-Bryan West Tower at Williamson Medical Center
- » Opening the new Cardiac Center

Our Founder and Leader Level donors – Cal Turner Family Foundation, Luke and Caroline Bryan, and Dugas Family Foundation – have been pillars of financial support for the campaign. Their leadership has encouraged donors at all giving levels to drive the progress of the campaign towards completion.

CORPORATE SPONSORS

Our Corporate Sponsors are valued partners who demonstrate exceptional generosity and commitment by contributing charitable donations of \$100,000 or more. Their support plays a crucial role in advancing our mission and making a meaningful impact in the communities we serve.

EMERGI-TRUST

ELEVATING EXCELLENCE

To celebrate the opening of our newly expanded Boyer-Bryan West Tower in June, Williamson Health hosted a free community event with family-friendly entertainment, activities, food, and more. The Boyer-Bryan West Tower includes three new floors and houses labor and delivery, NICU, surgery, ICU and cardiology services.

In a small ceremony prior to the ribbon cutting, we unveiled a sign dedicating the building as the Boyer-Bryan West Tower on behalf of hospital supporters Luke and Caroline (Boyer) Bryan and The Brett Boyer Foundation. The ribbon-cutting featured appearances from supporters Luke Bryan and Caroline (Boyer) Bryan as well as Ellen and Bo Boyer.

The Boyer-Bryan West Tower now includes a 35-bed ICU for critical care needs, 94 medical-surgical inpatient rooms, 33 obstetrics rooms, 10 pediatric inpatient rooms, and more. The world-class Cardiac Center has also been expanded and updated to include two state-of-the-art cardiac catheterization labs and a brand-new electrophysiology lab.

Exceptional Care at the Turner-Dugas Emergency Department

We celebrated the full renovation and expansion of the adult emergency department at Williamson Medical Center, which includes 43 exam rooms, two triage rooms, a new eight-bed pod for patients who may need additional privacy or security, an expanded waiting room for comfort and capacity, a new registration desk with three private stations, a private family gathering room, and an outdoor healing garden.

In June, the adult emergency department was unveiled as the Turner-Dugas Emergency Department in honor of the Turner and Dugas families' generosity.

THE 29TH ANNUAL WILLIAMSON HEALTH CHAMPIONS GOLF CLASSIC

The Champions Golf Classic is a tradition we look forward to every year as an opportunity to have fun together for a great cause. Registration includes a morning or afternoon round of golf, awards ceremonies to celebrate the winners, and more.

This event helps fund our athletic training program, which provides certified athletic trainers employed by Williamson Health for Williamson County Schools student athletes. Trainers are assigned to each high school and provide sports medicine coverage to all athletes at their school. They are present at all practices and home games, to provide care in case of injuries. This service is provided free of charge to Williamson County schools.

SKELETON GALA

The masquerade event is Bone and Joint Institute's primary fundraiser and benefits the Williamson Health athletic training program and scholarships for students who will be pursuing health science degrees in college. Attendees can enjoy a black-tie experience complete with dinner, drinks, a silent auction and dancing, featuring the dynamic band Burning Las Vegas.

Throughout the year, Williamson Health athletic trainers work in tandem with dedicated Bone and Joint Institute physicians to care for Williamson County Schools student-athletes. In addition to the Williamson Health athletic trainers and Bone and Joint Institute team physicians, crews from Williamson Health Emergency Medical Services (EMS) are on the sidelines during football games and other events, ready to provide immediate care in case of injury. This event raised \$27,435.

One of the primary beneficiaries of the Skeleton Gala is the Craig Ferrell Memorial Scholarship Fund. Named in honor of the late Dr. Ferrell, these scholarships are given to Williamson County high school students who are pursuing a college degree in health sciences.

"Giving back is at the core of the Bone and Joint Institute, and we are so honored to be able to care for student-athletes in our community. Through this event, and your generous support, we are able to further our commitment to the athletes of today while investing in the next generation of healthcare professionals."

— SCOTT ARTHUR, M.D.

OPERATION PINK CHAIRS

We understand there are many mental, emotional and physical challenges that accompany breast cancer. Post-surgery healing shouldn't be one of them! We partner with women recovering from surgery by offering a free 4-week reservation of a recliner, so they can recover more comfortably while gaining their strength back after surgery. Patients just have to reserve their chair, and it will be delivered, sanitized and placed wherever they would like in their home for four weeks.

We were able to provide 40 chairs for women recovering from breast cancer surgery this year.

Our community partner Head Springs Depot, a Franklin, TN furniture store, is partnering with the Foundation to store, sanitize and deliver recliner chairs for the complimentary 4-week program. We are immensely grateful for their support.

RACHEL'S PINK CHAIR STORY

When I was diagnosed with breast cancer, it was shocking and came with an overwhelming amount of information. On my initial visit with the Williamson Health breast cancer navigator, I was told about Operation Pink Chairs. Since I still had testing and scans to complete before surgery, I didn't pay much attention to it until I was told that I would need to be in an elevated position on my back for six weeks to sleep. Then the lightbulb went off. A few of my other friends who didn't know about the program because they went to other medical facilities for treatment of their breast cancer were amazed.

I contacted Operation Pink Chairs and it was easy to select a drop off date with Head Springs Depot. The guys were super

helpful and wished me luck with surgery. Having the ease of an electric recliner for recovering was unbelievably helpful to me. It kept me comfortable and safe during that time.

Also, the comfort I felt inside knowing that there is such a caring community support group that would do this for me without even knowing me was unexpected. It was like a warm blanket. I am so grateful to Operation Pink Chairs and the Williamson Health Foundation. It meant so much to my husband and I during a scary time of healing that we will continue to support other breast cancer patients who can benefit from this great program with our donations.

CRAIG FERRELL MEMORIAL CLAYS SHOOT

Williamson Health and friends partnered to honor the memory of Dr. Craig Ferrell by hosting The Craig Ferrell Memorial Clays Shoot at the Nashville Gun Club in April 2024, benefitting the "More for You. Close to Home." capital campaign.

The friendly competition was hosted by Scott Gentry, David DeFatta and Dr. Rhea Holly, who were all friends of Dr. Craig Ferrell, and raised \$30,090 for the campaign.

SUBARU SHARE THE LOVE

Williamson Health is a Hometown Charity and beneficiary of the Darrell Waltrip Subaru Share the Love® event for the eighth consecutive year.

This means that for every new Subaru purchased or leased, the dealership will donate \$250 to the purchaser's choice of designated charities, including Williamson Health. In addition to the \$250 donations for brand new Subaru purchases and leases, the dealership will also donate a minimum of \$75 for each additional sold or leased vehicle. Finally, for every vehicle routine service visit during the Subaru Share the Love event, Darrell Waltrip Subaru will donate \$5 to designated Hometown Charities.

Over the last eight years, Darrell Waltrip Subaru has donated nearly \$100,000 from the Share the Love event to the Williamson Health Foundation. "We are proud to name the Williamson Health Foundation as a beneficiary of our Share the Love event," said Darrell Waltrip, President, Darrell Waltrip Automotive Group. "We are proud to raise funds for our neighbor through this event to support the healthcare system's mission and commitment to continue to grow to meet the future needs of our families, friends and neighbors."

MISSION IMPACT

- » New patient protective system for ER patients needing additional privacy and security. The total purchase was \$192,480.
- » 5 Varathon Bladder Scanners for Williamson Health. The total purchase was \$55,000.
- » A Braun Vein Finder for Pediatrics that cost \$15,067.
- » 2 CPR Manikins for the Education Department totaling to cost \$2,190.
- » Recumbent Bike and a Recumbent Cross Trainer for Cardiac Rehab costing a total of \$13,040.
- » \$3,195 worth of supplies for the Child Life Specialist in PEDS.

IN-KIND DONATIONS

The Williamson Health Foundation received over **65 in-kind donations** that have been delivered this year. These donations range from toys for the Monroe Carell Jr. Children's Hospital Vanderbilt at Williamson Medical Center, items off of the children's hospital wish list, crocheted items for OB/NICU babies, and more.

ATHLETIC TRAINING PROGRAM

Thanks to a collaboration between Williamson Health, Bone and Joint Institute of Tennessee and Williamson County Schools, we're proud to provide dedicated athletic trainers to care for student-athletes competing at high levels across the county. Our team provides comprehensive care for student-athletes across all sports, from football and cross country to basketball and lacrosse, working daily to help them achieve success both on and off the field.

As part of the collaboration, our medical teams provide care to all nine public Williamson County Schools competing in athletics and a number of private schools across the county. Medical teams comprise a dedicated team physician from Bone and Joint Institute as well as a full-time certified athletic trainer and on-site EMS personnel at home competitions from Williamson Health.

Athletic trainers from Williamson Health are present every day at team practices with direct access to Bone and Joint Institute's orthopaedic physicians and Williamson Health's wide range of specialists. With organized communication day in and day out, our teams continually collaborate on return-to-play protocols for injured student-athletes to ensure the best and safest pathway forward to successful careers.

FUNDED \$500,000 FOR ATHLETIC TRAINING PROGRAM THIS YEAR.

"I have had the pleasure of working around Alexis Boorde, Franklin High School Athletic Trainer, for over 10 years. I have had the unique opportunity to be a student-athlete for Alexis and then work alongside her as a coach. She does a great job building relationships with her athletes, her coaches, and staff. She prides herself on getting athletes healthy and ready to play as soon as possible. She is a vital part of our staff here at Franklin."

— RACHEL SHAW

FRANKLIN HIGH SCHOOL PHYSICAL
EDUCATION TEACHER, HEAD GIRLS BASKETBALL
COACH, ASST. ATHLETIC DIRECTOR

LARRY HOUGH EMPLOYEE RELIEF FUND

16 EMPLOYEE GRANTS WERE GIVEN THIS YEAR.

The Larry Hough Employee Relief Fund was created in memory of a long-time board member.

The Larry Hough Employee Relief Fund is a vital resource that underscores the organization's commitment to supporting

its employees through life's unexpected challenges. This fund provides crucial financial assistance to employees facing personal hardships such as medical emergencies, natural disasters, or other unforeseen crises.

The fund not only aids individual employees in navigating immediate financial strains but also strengthens overall morale and unity within the organization. It reflects Williamson Health's dedication to prioritizing the well-being of its workforce. This fund also ensures the continuity of its mission to provide exceptional care to the community.

EMPLOYEE TESTIMONIAL

"I had been out of work for two weeks with COVID and didn't have enough PTO to cover it. It was such a relief to know that I work for a company that takes care of their employees when they are in need.

The application was easy, the process didn't take long and they really took the situation seriously. I would have been evicted and possibly lost my car had it not been for this Foundation.

I appreciate everyone that donates to it and to the people who run it. You do not know how much a relief it is when someone is that much in need and it comes through. I really cannot thank you enough."

— TINA H.

WILLIAMSON HEALTH EMPLOYEE

SCHOLARSHIPS

Thanks to you, the Williamson Health Foundation has profoundly impacted the community by providing scholarships for local students pursuing degrees in healthcare. These scholarships not only alleviate the financial burden of higher education but also empower aspiring healthcare professionals to achieve their goals and focus on building meaningful careers. By investing in the education of local students, Williamson Health strengthens the healthcare workforce in the region, fostering a pipeline of skilled, compassionate professionals who are deeply connected to the community they serve.

This initiative reflects Williamson Health's commitment to addressing workforce shortages and improving access to quality care. Many scholarship recipients are current employees or return to the area after completing their education, bringing invaluable expertise and a personal dedication to enhancing the well-being of their neighbors. Williamson Health's support has not only changed the lives of individual students but has also had a lasting effect on the community, ensuring a healthier future for generations to come.

\$109,500 was given to 50 scholarship recipients this year.

Craig Ferrell Memorial Scholarship

This scholarship is named for the late Craig Ferrell, M.D., founder of the Franklin Bone and Joint Clinic, orthopaedic surgeon at Williamson Medical Center, and team physician for the United States Olympic team. His legacy led to the establishment of the Bone and Joint Institute of Tennessee. In partnership with the Williamson Health Foundation, The Bone and Joint Institute of Tennessee provides \$1000 scholarships to graduating high school seniors in Williamson County pursuing a degree in medicine, athletic training, physical therapy, occupational therapy or other health related fields.

"I am deeply grateful to the Williamson Health Foundation for selecting me as a recipient of the Fay Porter Memorial Scholarship! The Foundation's generous support has made my undergraduate experience at the University of North Carolina even more fulfilling than I could have imagined.

With medical school hopefully in my future, I still have significant educational expenses ahead, and this scholarship has allowed me to reduce the financial burden of my undergraduate studies, positioning me for success as I continue my journey toward a career in healthcare. Who knows—perhaps one day I'll have the honor of practicing medicine at Williamson Health! Thank you again for the incredible investment in my future."

SCHOLARSHIPS

Kim McMurray Scholarship

The Kim McMurray Memorial Nursing Scholarship is named in memory of beloved nurse, Kim McMurray. She tirelessly served as a nurse at Williamson Medical Center for nearly 30 years and continued to work in various roles during years of arduous chemotherapy treatments for breast cancer. This scholarship provides \$500 and will be awarded to a current nursing student accepted in the nursing curriculum who demonstrates a particular connection to cancer or the treatment of cancer.

ELIZABETH BLITCH

Angie Tillman Scholarship

Provided by Williamson Health's Volunteer Auxiliary, the Angie Tillman Nursing Scholarship provides scholarships for high school seniors pursuing degrees in nursing. One student will receive a scholarship totaling \$10,000. The recipient will receive \$2,500 each year for four years, as long as he or she maintains academic and eligibility requirements.

2024 Angie Tillman Scholarship Recipient
HOPE PINCKARD

Ike Brown Scholarship

The Ike Brown Scholarship is named in honor of Mr. Isaac "Ike" Brown, who served on Williamson Health's Board of Trustees for 24 years, the last six of which he was chairman. This scholarship is available to current medical students only and will pay \$2,500 toward medical school tuition to the student selected to receive this scholarship.

LAUREN SINOR

Stat

Success Takes a Team (STaT) is an internal giving program designed to empower employees of Williamson Health to make a meaningful impact on their community. Through this initiative, employees can contribute charitable donations via payroll deductions, supporting the vital programs and services of Williamson Health.

This program fosters a culture of teamwork and generosity, emphasizing that success in delivering exceptional healthcare is a shared effort. Contributions through STaT help fund programs and services that enhance patient care, expand community health resources demonstrating the collective commitment of Williamson Health's team to making a difference in the lives of others.

A VINTAGE AFFAIR

Since 2005, A Vintage Affair has been a big supporter of Williamson Health's Neonatal Intensive Care Unit through the Foundation and has provided more than \$900,000 in funding for more than 90% of the equipment used to care for our youngest patients.

In all, A Vintage Affair has now donated more than \$2.9 million to more than 26 Williamson County charities over the last 24 years, and we're honored to have a pillar partner in support of our patients and families year after year. Thank you for your continued support!

THANK YOU

We are deeply grateful for all of your support and contributions this past year.

None of this impact would have been possible if not for our Williamson County community.

If you have any questions about the Foundation or any of the initiatives in this report, please do not hesitate to reach out to Rachel Caudle at rcaudle@williamsonhealth.org.

We look forward to continuing to serve Williamson Health and our friends and neighbors in Wilco in 2025.
